National Office  
 PO Box 1368  
 Bonita, CA 91908

National IMAGE, founded in 1972, is a non-profit organization established to advocate for Hispanics employed in government sector employment, be it Federal, State, or city. National IMAGE mission is to promote the recruitment, hiring, retention, development and advancement of Hispanics government employees and to ensure equitable treatment afforded under the law.

National Image works with officials at the highest national levels in both the public and private sectors to promote awareness of the needs of the Hispanic community and also of the pool of talent available to help the United States compete successfully in a global economy. National Image has proven its ability to grow and change with the needs of the community. It will continue to be a forward looking, proactive organization to help Hispanics meet the challenges of the future. Only if Hispanics are well-informed and well-prepared will we be able to develop our potentials to enrich ourselves and our communities and help the United States as a whole to prosper. We welcome your participation and support of our mission. For more information contact National IMAGE (add email address here)
